FINANCIAL AGREEMENT

We are committed to providing you with the best possible care, and will help you receive your maximum allowable insurance benefits. However, we need your assistance and your understanding of our payment policy. Your insurance contract is between you, your employer and the insurance company. **Not all services are covered by all contracts.** We participate and accept assignment from most major payers, which means covered charges, will be paid directly to us. As a courtesy to you, we will file a claim with your insurance carrier on your behalf. Any remaining balance will be billed to you once we have received payment from your insurance carrier. If we do not participate in your insurance plan, you may still choose to be seen in our practice as a "SELF PAY" patient. Our physicians offer a discounted "SELF PAY" rate that is due at time of service.

SUNSHINE ACT

The Open Payments database is a federal tool used to search payments made by drug and device companies to physicians and teaching hospitals. It can be found at <https://openpaymentsdata.cms.gov>. For informational purposes only, a link to the federal Centers for Medicare and Medicaid Services (CMS) Open Payments web page is provided here. The federal Physician Payments Sunshine Act requires that detailed information about payment and other payments of value worth over ten dollars (\$10) from manufacturers of drugs, medical devices, and biologics to physicians and teaching hospitals be made available to the public.
